

# Water & Wastewater Project Engineer

Indianapolis, Indiana

## Company Profile

**United Consulting** is a full service, civil engineering firm which was established in 1965. We have been named “Best Places to Work in Indiana” eight times by the Indiana Chamber of Commerce. This achievement conveys our staff likes where they work and the jobs they get to work on. We take pride in maintaining a desirable and rewarding workplace culture for our employees and excellent services to our clients.

**United** offers a competitive salary; four and a half day work week; 401K with 6% company match; health and wellness incentive program; health, vision, and dental insurance benefits; and many additional company perks.

We promote a healthy work/life balance and encourage employee participation in numerous company functions such as golf events, holiday parties, summer picnics, and many fun activities.

Currently, we have an exciting opportunity in our Water & Wastewater Department to offer the right candidate who desires to play an integral role in transforming projects into reality.

**Education:** Bachelor of Science Degree in Civil Engineering or equivalent

**Registration:** Professional Engineer in the State of Indiana

**Experience:** Four or more years of applicable experience
